

IESA Leadership Circle (LC) – Membership

IESA LC Membership is the opportunity to be a part of the alliance's executive council. Aim of IESA LC Members network is to strengthen and create business for energy storage applications in India. LC members will lead different IESA working groups and drive the policy focus and priorities for IESA. If interested, they can also be a part of advisory committee for IESA annual conference. LC members will take lead role to create a platform for Indian and foreign companies to exchange and collaborate technology development, trade negotiations and investments. The key privileges and **benefits** are highlighted in below table.
