

IESA Membership Options

There are 3 options for becoming part of IESA community.

IESA – Knowledge Partner Network Member

Aim of IESA KPN network is to help members understand the various energy storage technologies and applications. IESA team will work with various members to develop case studies to help KPN members make an informed decision on which technology, or combination of technologies to adopt for the most efficient and effective solution to their need. The key privileges and benefits include:

1. Access to member's section in IESA website and to get access for case studies and technical papers.
2. **Exclusive access to Opportunity (RFP/Tender)** related to India to its members through Information bulletin and members only section.
3. Complimentary participation in up to nine webinars per annum on highlighting various energy storage technologies, application, business models and relevant policy & regulatory framework.
4. Free subscription to IESA Quarterly magazine, *Emerging Technology News (ETN)* covering global best practices / case studies of various energy storage technologies & its implementation.
5. Collaboration opportunity for exploring joint research / demonstration projects with IESA members.
6. Invited participation during the technology study tour and the annual IESA conference to have direct meetings with various leading technology providers from around the globe.
7. 5-20% Discount on participation, exhibiting and sponsorship opportunities during the IESA and partner events.
8. 10% Discount on IESA published reports focusing on energy storage opportunities in various sectors.

Benefits of joining the IESA Knowledge Partner Network (IESA KPN)

Benefits of joining the IESA Knowledge Partner Network (IESA KPN)		
You pay		
Annual fee	\$2,000	
You get		
Participation in the webinar for IESA KPN members	\$900	\$ 100 for each webinar, 9 webinars per annum
Complimentary participation in GESA Quarterly Energy Storage Global Update Webinars	\$400	4 Quarterly webinars
10% Discount on Participation in Technical tour being conducted by IESA	\$1,000	Participation in appropriate round table discussions for exploring project / partnership opportunities
50% discount on two delegate passes for IESA annual conference	\$1,200	2 X \$ 600
