

IESA – Special Membership

IESA Special membership is built to help startups, academic institutions and not for profit organisations to be part of the IESA community to understand the various energy storage, electric vehicle and green hydrogen technologies, business applications and intertwined policy/regulatory issues. IESA team will work with the members to help them make an informed decision on technology adoption, target markets and conduct promotional/marketing activities of their products and services. The key privileges and benefits are highlighted in below table.

<input type="checkbox"/>	1-year membership (INR 75,000/ year- or US \$ 1000/year)
<input type="checkbox"/>	3-years membership (INR 2,00,000/ year- or US \$ 2700 / year)
<input type="checkbox"/>	5-years membership (INR 3,30,000/ year- or US \$ 4000 / year)

Key Privileges and Benefits
